POSITION: **MANAGEMENT CONSULTANTS**

- Leading Global Management Consulting Company
- Outstanding Career Opportunity
- Competitive Salary Packages

DETAILS: This well established global strategy consulting firm has long been a magnet for the best business graduates and postgraduates around the world. It offers a full range of consulting capabilities and seeks to work with clients to deliver results that endure. In Australasia and the Asia Pacific they serve a wide range of industry sectors and an enviable portfolio of blue chip clients. As a result of growth they now wish to recruit a number of consultants at a variety of levels.

As a consultant, you will work on a wide range of strategic problems that are critical to the client organisation. You will complete challenging work in a fast paced and dynamic environment while liaising closely with senior client staff. The rewards include travel opportunities across Australia and overseas and very competitive salary packages. The firm provides an environment that is focused on accelerated personal development and career progression.

To succeed, you must have very strong analytical skills with the ability to understand complex problems, analyse them quickly and accurately and draw well reasoned insights and conclusions from your analyses. You must be self motivated and be able to structure and manage work logically and efficiently. You will be able to work effectively with others and have strong interpersonal, presentation and written skills. Naturally, you will be degree qualified with an excellent academic record.
