POSITION: **CHIEF EXECUTIVE / PRINCIPAL**

- Outstanding Opportunity
- New Zealand Market Leader in Hospitality Management Education

DETAILS: The Pacific International Hotel Management School (PIHMS), based in New Plymouth in the magnificent Taranaki region of North Island, New Zealand, offers a specialist portfolio of Hospitality study with a focus on Hotel Management at Diploma, Degree and Post Graduate Diploma levels. PIHMS is renowned both nationally and internationally for providing industry ready graduates through a unique simulated hotel experience. As a leading member of the Orion Hotel Schools Alliance, PIHMS aims to produce graduates who combine theoretical knowledge with practical skills and personal development for leading hospitality businesses throughout the world. Through its accreditations with Investors in People and the Hotel and Catering International Management Association, PIHMS is committed to maximising the potential of staff and the continuous improvement of its provision.

Following the promotion of the current Chief Executive to a larger tertiary organisation, PIHMS now seeks another outstanding leader to build on his work. Reporting directly to the Board of Directors, you will be responsible for providing the School with vision, strategic leadership and day-to-day management of key functional areas. Developing and enhancing strategic alliances with industry, government, feeder and related colleges and other organisations are important responsibilities of the role.

To succeed in this role you must be an experienced manager with a history of leadership at senior levels and a recognised professional reputation in the education industry. This would be based on your thorough understanding of the education market and track record of success in recruiting students. You will have well-rounded experience of managing an educational organisation. Energy, an eye for detail, willingness to roll up sleeves and do whatever is necessary to meet the challenges of the School's future development are also crucial to the role. Tertiary qualifications, preferably at post graduate level, are essential
